The background of the entire page is a sepia-toned photograph. It depicts a young man and woman standing in a snowy field, facing each other in a close embrace. They are silhouetted against the bright, white snow. In the background, there are several bare, leafless trees with intricate branch structures. The overall mood is romantic and serene.

Seasons of Myself

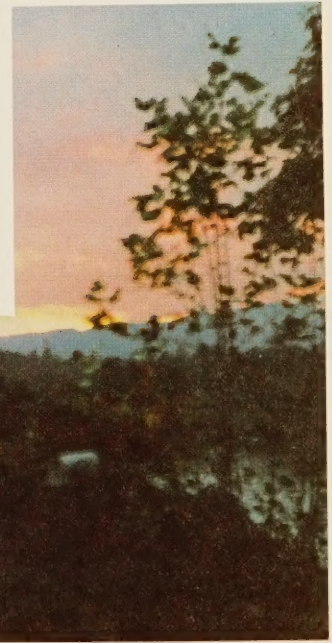

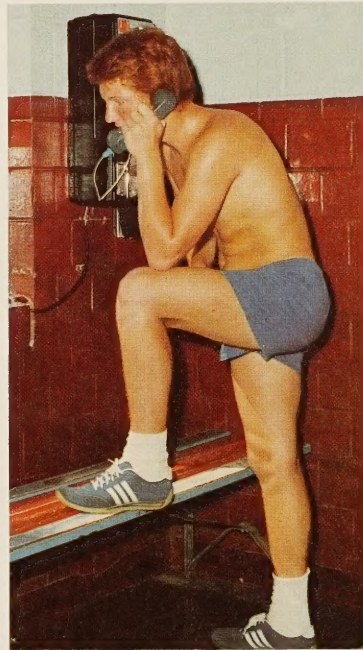

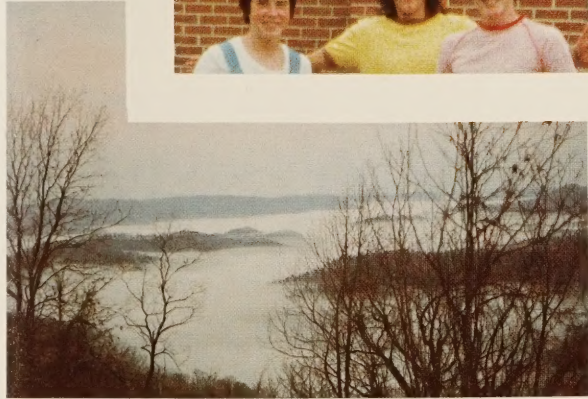

*Into myself I look
Retracing a part of time
A season from the past
Vivid images in my mind*

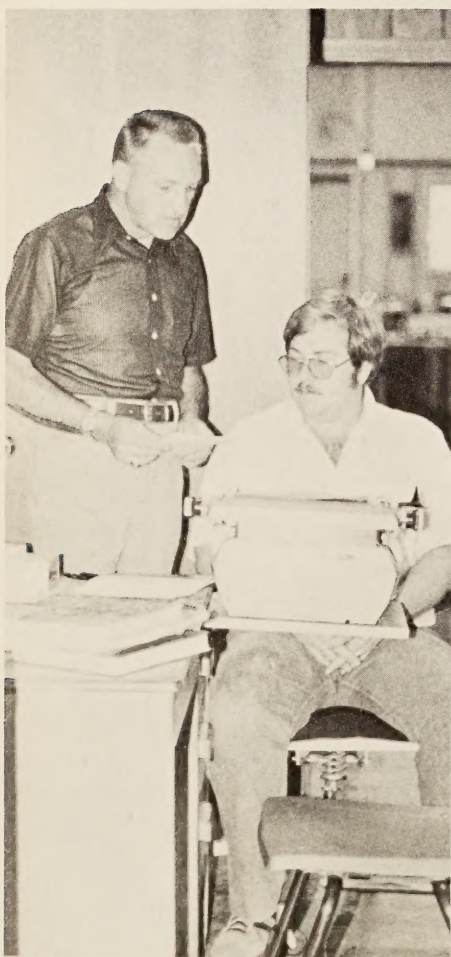

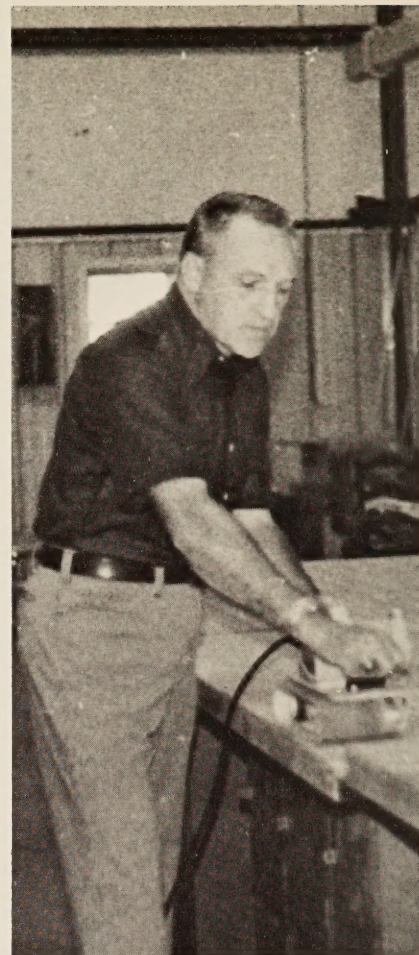

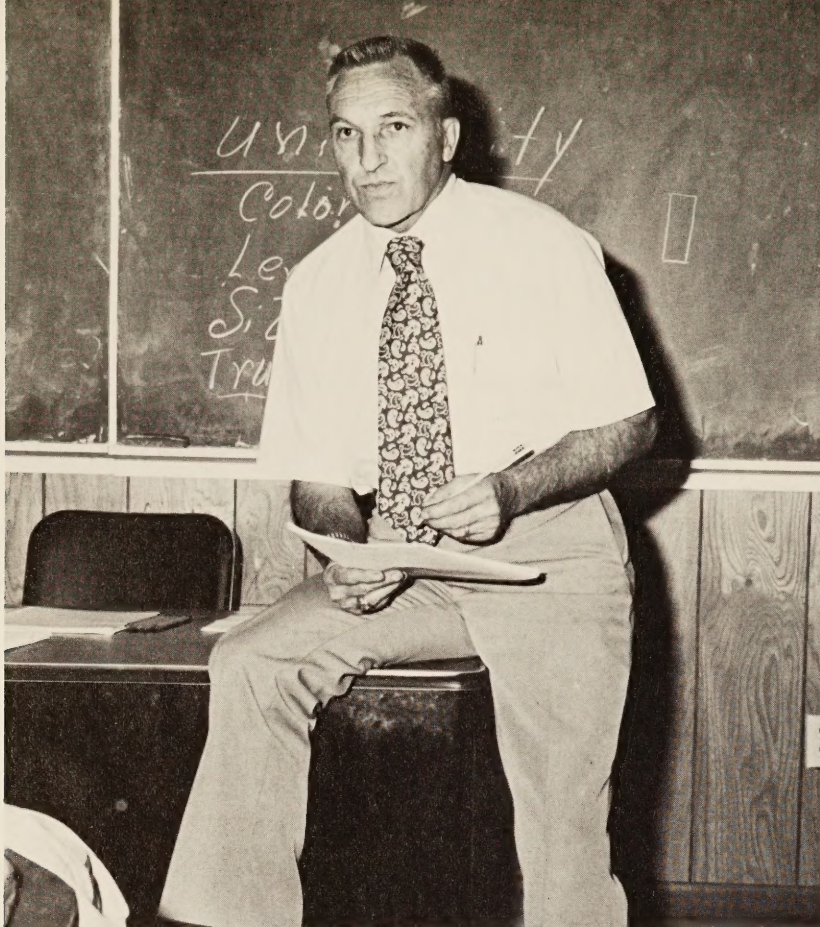

*Trying to relive
A sun filled day in spring
The first snow of winter
A time of special things*

*Recalling to the present
From a summer of thought
Lonely days of fall
Reveal treasures once sought*

*Returning to the past
Of winter winds and snows
I find within myself
A season I know*

Lagwenna Rose

We, the Annual Staff of Haysi High, wish to preserve in our year-book the special memory of a teacher which will remain with us forever.

We feel that no person is more deserving of this honor than the one who has given so freely of his time, talent, and encouragement toward making this school what it is today.

We take pride in dedicating our 1980 Silhouettes to you, MR. ERDMAN W. MULLINS.

Seniors Then

It seems so long ago that we were playing with cars and trucks and baby dolls. We are now grown up with dreams of our future ahead of us and our childhood behind us. As our last year together nears an end we would like to express our love for one another and hope that the pictures in this yearbook bring back fond and cherished memories.

And Now

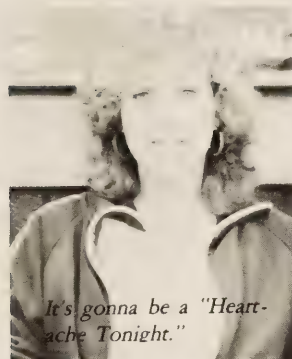

Cheese!

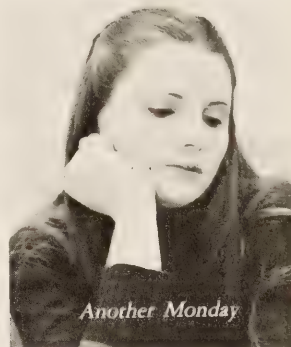

The Polacks are coming!

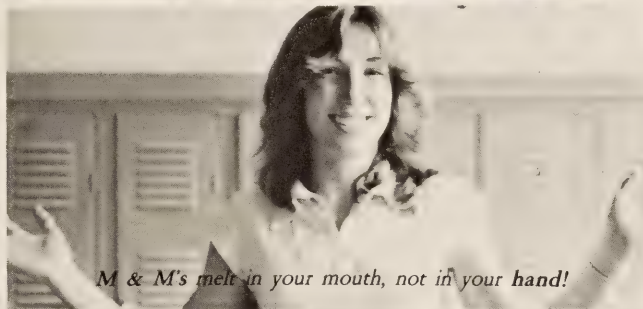

I got married again

It's gonna be a "Heart-ache Tonight."

Another Monday

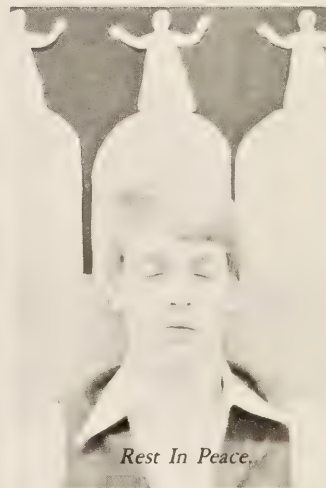

M & M's melt in your mouth, not in your hand!

Open your mouth and say Ahhh!

A black and white photograph of a flowering plant branch against a background of tree trunks. The branch, which is dark and thin, enters from the bottom right and extends upwards and to the left. It bears several small, light-colored flowers or buds. The background is filled with the vertical, textured trunks of trees, creating a sense of depth and a natural setting. The lighting is soft, highlighting the delicate structure of the plant against the more rugged bark of the trees.

Homecoming Queen, Miss FBLA, Key Club Sweetheart, and FHA Queen are depictions of special individuals within our school. These individuals at last receive credit where credit is due by gaining the recognition they deserve.

The 108 members of the Junior Class chose their 1980 personalities by "singling-out" the individuals who stood head and shoulders above all the others. These students, these few, these PERSONALITIES, have special qualities which brighten days and make the trials of school worthwhile.

These ten possess the energy, charisma, ability, and magnetism to capture the admiration of their fellow students and are therefore labeled "special" among all others in the Junior Class.

**ADMINISTRATION
&
FACULTY**

Administration and Staff

The beginning of the decade also ushered in a new administration at Haysi High. Even though, both men are young they are not strangers to the field of education, having come directly from the classroom.

There were many obstacles to overcome, each was met with enthusiasm and soon diminished due to the support given by both faculty and students.

Senior Class of 1980:

I would like to take this opportunity to wish all of you the best of luck in your future endeavors. I am sure that during your school years, decisions have been made that you did not agree with. However, I believe as the years pass you will look back upon those times as beneficial experiences.

Life can be full of achievements and you have just completed one, your high school education. Whether or not you achieve anything else in life will be up to you, but whatever you encounter or attempt always give it your best effort. This advice is not for the sake of dear ole Haysi High, but you will find it to be for self-respect.

Again, I say good luck to you and always try to keep a place in your mind and heart for your alma mater.

New Administration Gets Into Swing

Mr. David Yates, Principal

Seniors:

You are about to embark upon a new course in life. Everything you have learned should help you make wise decisions from the myraid of choices available to you. You will be a member of the society of people that must deal with such things as pollution, energy problems, threat of destruction, and many others as well.

However, as a parting gesture, let me leave you with this bit of advice. Even though you are about to enter a society which is ill and uncertain, keep the thought that hard work, the ability to persist in spite of difficulties, and intelligent use of knowledge will enable you and your fellow graduates to overcome many of those problems that will confront you.

Hard work, dilligence, and perseverance will also insure success for each of you. Look forward instead of back and you will know success in a gratifying way.

Miss Patsy Kilgore
Secretary

Mrs. Myra Arrington
Cafeteria Clerk

Mr. Ronnie Bartley, Ass't. Principal

Guidance Department

Always Ready To Help

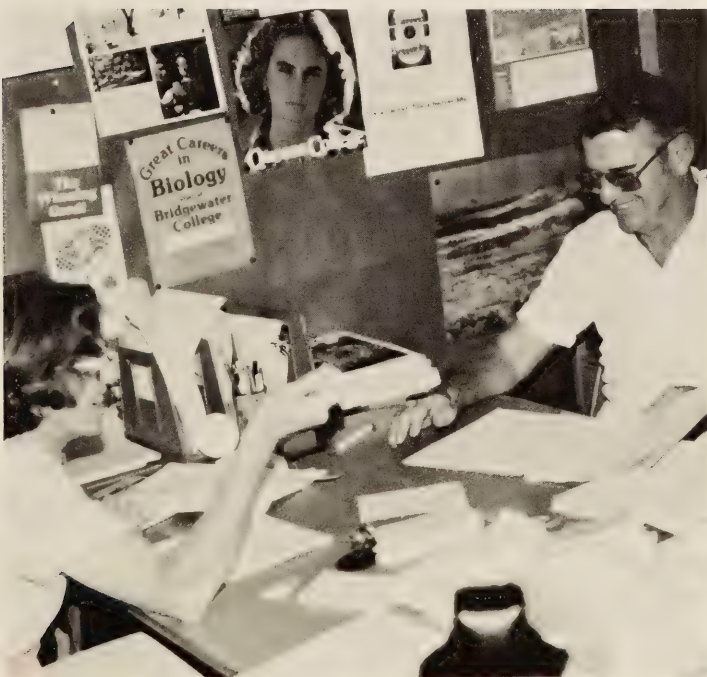

Mrs. Betty Deel

Your years at Haysi High are coming to an end. Your years in the future are just beginning. Make the most of your life, for you have but one life to live.

Smile — Be Happy — Be Honest

You soon will be facing one of the greatest challenges — you must now face the responsibility of making your own life-style. I hope that each of you will be able to reach for goals that will forever make you a better citizen. You will now be responsible for your own actions. Again, always be truthful and honest in all that you attempt to do.

Mr. Harold Byers

Teachers Doing What

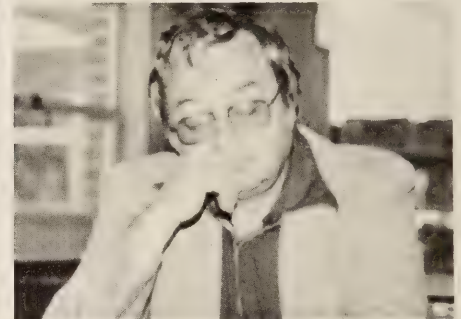

Colonel Counts

Yes Santa, I've been a good boy.

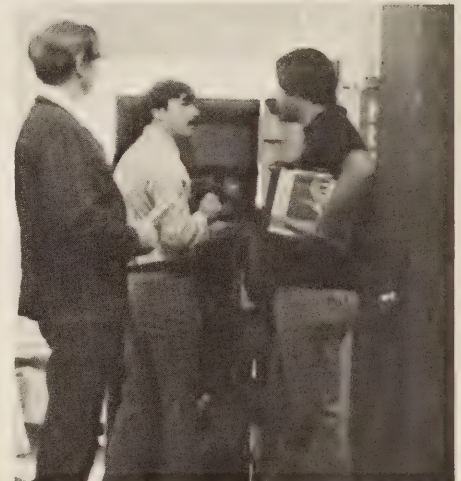

"We Are Family."

This is getting to be boring; I see Haysi has won another game.

and it was only about...

Mr. Yates, "Thou shall not break into the Coke machine."

Ahh-so

To the Faculty — From the Class of 1980
Sometimes, not often enough
We reflect upon the good things.
And those thoughts always center
around those we love.
And I think about those people
Who mean so much to me.
And for so many years have made me
So very happy.
And I count the times
I have forgotten to say
Thank you and
just how much I love you.
Author Unknown

And you try to tell me Groucho Marx didn't have children.

I dare you to say that again.

You don't have to tell me I'm handsome, I already know.

HALLELUJAH!!!!

Mr. McCarty, don't pick your nose in class.

They Do Best!

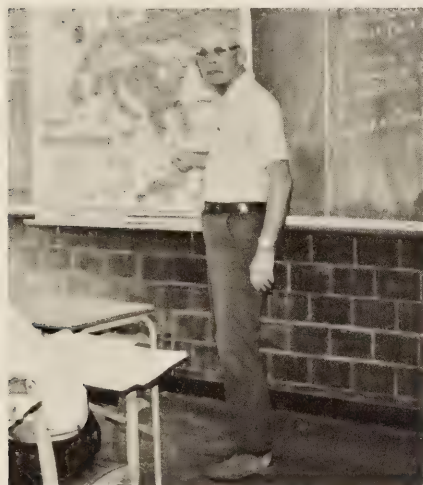

There's just something about you that I like.

The unknown teacher.

Oh no, I'm caught.

We now see there's something rotten in Denmark.

Davey, I've told you a thousand times not to do that.

Hey kids . . . It's Mr. Bill.

You sit down and shut up . . . or else!!

Mr. Colley, we see you have skeletons in your closet.

Myra . . . Principal?

So that's where she keeps her Play-girl books.

This is gonna be so easy; teachers are so great.

You better not!

Personnel Recognized And Appreciated

(L to R) Mrs. Aileen Vandyke, Mrs. Mary Wood, Mrs. Thurlene Mullins, and Mrs. Alice Williams

We, the hungry people of H.H.S. appreciate the hard work and dedication that goes into preparing our school lunches. A big change has occurred since the beginning of the year; we have been given a choice of food for each day, which includes the regular meal and sandwich, or a chef salad. Also we have been given a choice of four different kinds of milk.

Students report that lunch is better than ever, and the proof is those long lunch lines. Thanks, ladies, for a job well done.

Mrs. Zelphia Edwards
Custodian

Some people say, "A woman's job is never done," but this can also be applied to our custodians here at Haysi High. The Threesome of Mickey Mullins, Donald Colley, and Zelphia Edwards never seem to finish one job until another one arises.

We sincerely appreciate all the time and help they surrender to us: the students, faculty, and administration.

Ronald Thomas played on my first winning season team as an offensive guard and a defensive linebacker. I was close to that group of boys; you can't always remember the scores of the games, but you can remember the kids like Ron. His attitude and his good nature was coupled with his willingness to get out on the field and compete — these qualities made him well-liked and a leader among his teammates. I remember Ronald Thomas best though, not as the athlete, but for the person he was.

Coaching is a big part of my life which has been enriched because of my association with Ronald and others like him.

BDD Coach of the
Year

As another year goes by, the time has come to wish my Senior players farewell. Each one will be missed because they were a vital part of the '79-80' Football team. To each player, I extend best wishes and many thanks for being part of my years here at Haysi High.

The 1979-80 Football Cheerleaders Have Experienced Victory

This year's football cheerleaders did a wonderful job of keeping up the spirits of the Haysi High fans. They put the football boys' spirits in high victory and kept the students' aware of all the sports' happenings'. They have worked long hours to prepare for games and pep rallies. They cheered the team on to many winning games and helped them accept defeat while always keeping their "Tiger Spirit"

Varsity Football Cheerleaders:

"CHEERLEADERS LYING DOWN ON THE JOB"

Our mighty Tigger the Tiger, Rita Thomas, was always in a winning mood; she had that "Tiger Spirit." She was there to cheer the Tigers on to victory and to keep the fans cheering for their team.

Aren't I the cutest Tiger you have ever seen?

Gail Deel and Etta Viers represented Haysi High School on the All District Team. They were chosen as the two most-outstanding forwards in the Black Diamond District. Together these two girls averaged over 32 points a game.

RECORD-16-7

Strike Again

The Haysi Tigerettes, as in the two previous years, emerged as Black Diamond Champions for 1979-80. The team again was number 1 in the Black Diamond District as they have since the beginning of the new district. The record this year was 10-2 losing by a narrow margin only to the St. Paul Deacons. The team was runner up in the Black Diamond District Tournament, and went on to regional D competition. The Tigerettes defeated the Jonesville Bulldogs for the first time and set up a rematch against the Clintwood Green Waves. Due to unfortunate illness of a few of the starters, Haysi lost the hard-fought contest. Coach Homer Deel regretted the loss of his four senior players Sondra Younce, Etta Viers, Gail Deel and Freda Rasnake, but Coach Deel plans to go after the championship for a fourth year with a young but fantastic team.

J.V. Achieves Another Perfect Year

Guards: Lacretha, Mary and Patty

Coach Bobby Deel's Junior Varsity team walked away with another Black Diamond District Championship. In the three years that Coach Deel has been coaching the J.V.'s he has lost only three games. This year, using the strong throwing arm of Judy Perrigan, the quickness of Mary Powers and the agility of the rest of the team they were able to finish the season with a record of 21 wins and 0 losses. This is the best record ever obtained by a Haysi Team. What a grand team they will be when they play on the Varsity Team.

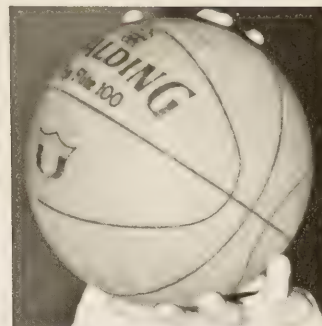

Forwards: Judy and Denechia

Centers: Leasha and Angie

8th Graders Hit The Court Early

The 8th grade girls' basketball team, which was coached by Mr. Bobby Deel, won all the games that were played this year. Most of the girls gained some experience by playing on the J.V. team also. Among them were Pam Owens, Angie Dingus, Tracey Branham, Carolyn Anderson, and Johnnie Lynn Harris.

Girls Basketball: Spirits Riding High!

The Girls' Basketball Cheerleaders always do their best to keep the team's spirit high, and the fan's love strong. They also decorate the halls & gym with colorful posters & signs. The girls that keep the cheers alive whether in victory or defeat are Missy O'quinn, Norma Mullins, Cindy Stanley, Kim Powers, and Rhonda Thacker.

Boys Bounce

Haysi's boys basketball season was originally scheduled for December 1, but was delayed until the 16th, because of a long football season. The team worked well together and their goal was the District Championship. There were seven seniors and seven juniors on the varsity team, and nine which stood six feet tall and over.

Mr. Larry Compton was the coach of the varsity team, with Mr. Butch Kiser as his assistant. Mr. Ronnie Compton coached the junior varsity and 8th grade.

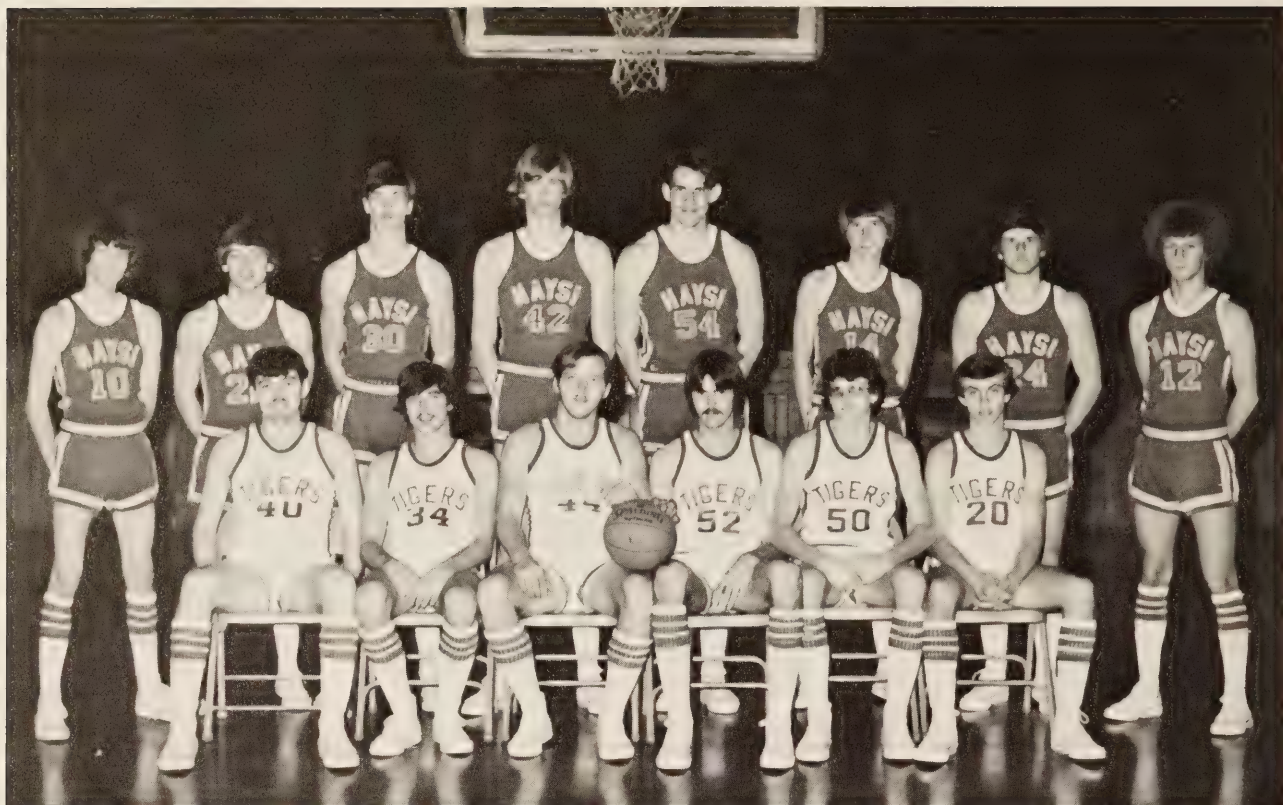

This year has proven to be a winning season, because of the experience of these fine coaches and the hard work and determination of the team. The coaches wish to compliment the fans for supporting the team, which they believe has helped the team have a better season.

ACTIVITIES

Creative Art Club

The Art Club was the most creative club in the school. The club was not as big this year as it has been in the past because the students had to dress up for initiation on Halloween, and they also sponsored Halloween Dress-Up Day for the rest of the school. The members of the club were very hard and dependable workers. They did various crafts such as create Ojojedios, prepared baked Christmas tree ornaments, worked with macrame, oven ceramics, and linolium blockprints. They also sponsored their annual Art Club Fair held in the Spring.

The Art Club sponsor was Mrs. Velma Crabtree. She has sponsored the Art Club for the past two years. She says it has been a difficult club to get started, but one of the major reasons for joining is that you learn new and different kinds of crafts.

Officers of the Art Club were President: Tina Owens, Vice-President: Rhonda Hill, Secretary-Treasurer: Julie Fuller, Reporter: Donita Mullins.

Beta: B Or Better

Those students who have and maintain a B average are chosen to become honorary members of the Beta Club. One of the many goals of this organization was to attend the National Beta Club Convention. Much effort was put forth by each member in raising money for this project. Sponsoring the Beta Club this year are Mr. Zane Counts and Mr. Carter Boyd. They participate in the club meetings and are active in all fund-raising projects. Several of these projects were: selling homecoming corsages, sponsoring the 1979 homecoming dance, designing and building the winning homecoming float ("Tigers Busting Out in '79"), and also keeping the events board in the lobby up-to-date.

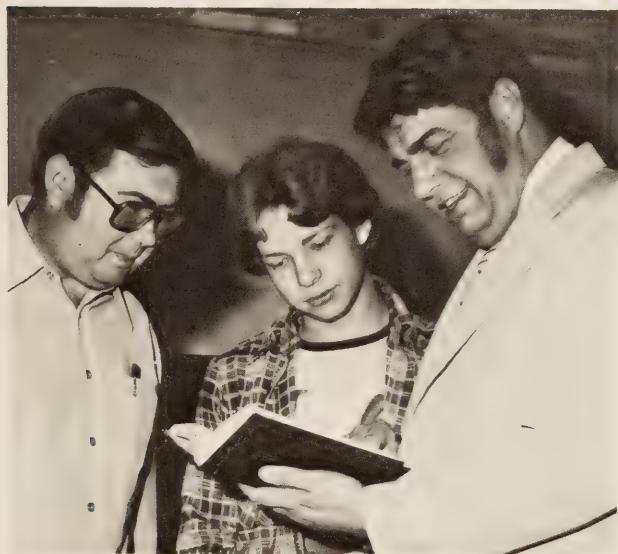

Beta Club Officers: (L to R) Lisa Owens, Reporter; Pam Ramsey, Treasurer; Vickie Church, Secretary; Robert Bailey, Vice-President; Debbie Rasnake, President.

To keep a B average, Tony spends his spare time studying.

Always Have Faith . . .

The Bible club always keeps the faith in the many things that they do. They are a very active club which sponsors the Christmas program each year. The Bible club also gives daily devotions each morning over the P.A. system.

The sponsors are Mr. Jimmy Smith and Mr. Carter Boyd. The president is Clifton Boyd.

Foreign Language Speaks Out . . .

The Foreign Language Club, a newly-developed club, is sponsored by Mrs. Kathy Slusher and Mr. Bobby Deel. It is a call club which sometimes meets once a month. They plan to have pen pals and culture studies. They also plan to participate in the Christmas program this year, and a field trip is planned.

FBLA Gets Down To Business

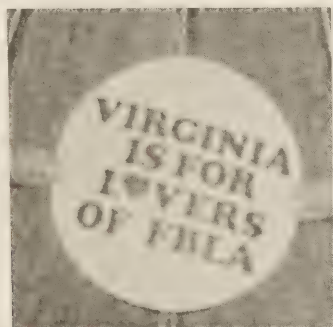

Mrs. Taylor is always willing to lend a helping hand.

The Haysi High School chapter of the Future Business Leaders of America have become co-curricular and do most of their club work during class. Representatives were selected to represent each business class. The officers and representatives along with the aid of Ms. Debbie Edwards, Ms. Jackie Collins, and Mrs. Lana Taylor make the final decisions for the club. The FBLA's activities for the 1979-80 year included visiting Norton Nursing Home and presenting the residents with fruit baskets. They also attended state convention at Roanoke. The FBLA at HHS are looking forward to contributing their knowledge to the business world.

FFA Digging '79-80'

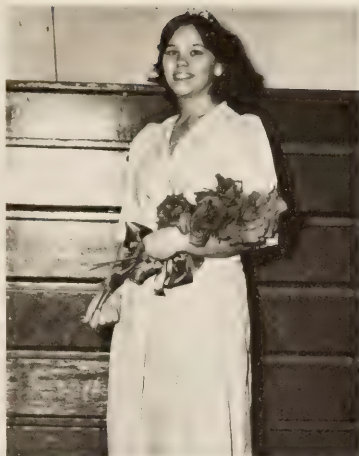

The FFA was composed of two groups, the Junior and Senior FFA. The Junior FFA (below) was made up of the first year students and the Senior FFA (above) was made up of the second and third year students. The sponsors of both groups are Mr. Erdman Mullins and Mr. Richard Mullins. The Senior club officers are: President — Chris Rakes, Vice President — Clifford Hill, Secretary — Eric Sluss, Treasurer — Todd Puckett, Sentinel — Ervin Turner, and Reporter — Charlie Young. The officers of the Junior FFA are: President — Sam Jones, Vice President — Michael Mullins, Secretary — Larkin Turner, Treasurer — John Hess, Reporter — Leroy Hall, and Sentinel — Jeff Green.

The main goal of the FFA was to teach leadership, and to accomplish this objective the FFA have sponsored a fair for the public viewing, they have voted to start an agriculture reference library for the school, and they have participated in different contests throughout the year.

FHA Coming On Strong

Tammy Hackney
Queen

FHA is undoubtedly one of the most dependable clubs in the school. They are always called upon to sponsor activities such as serving the football boys and homecoming court during Spirit Week, holding an open-house for parents and teachers during National Education Week, and also preparing and serving at the Senior Reception after graduation. FHA is synonymous with food. This year's FFA-FHA fair was co-sponsored, and all the students contributed many excellent exhibits. As one can see, FHA has built up quite a reputation for themselves and HHS greatly appreciates this active club.

Key Club Made An Impression

The Key Club was an organization in which young men tried to fulfill and achieve certain goals while coordinating the work with the local Kiwanis Club. They worked toward goals which helped or benefited the school and community in a meaningful way.

Library Aides — Almost As Important As Santa's Elves

This year we would like to acknowledge the library aides who are: Raetena Fink, Jackie Rose, Jackie Deel and Jeff Taylor. These students give their free time and study halls in aiding Mrs. Crabtree in the library by doing various jobs such as stamping books, signing passes, putting away books and keeping the library quiet when Mrs. Crabtree was out. This year for the first time in the history of Haysi the library has a full-time assistant who is Roxie Boyd.

K.V.G. — Keep Virginia Green

This year the K.V.G. at Haysi High has increased its membership tremendously. The purpose of this club was to help in fighting forest fires. The members of this club show their interest for the state of Virginia by giving their time and hard work when needed.

How does Danny ever expect to blow out a fire.

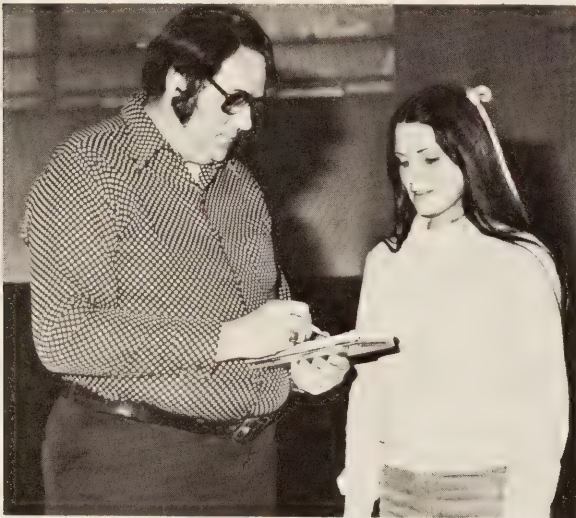

By the look on Gary's face you'd never know there was a fire.

Pep Club Keeps The Spirit

The pep club is one of the largest organizations with over 100 members. It is dedicated to encourage school spirit before and during ball games. This year they entered a float, Steamroller, in red, white, and blue, for the Homecoming game. They also helped with Spirit Week.

SAE: Students Taking Action For Education

Student Action for Education was the club that helped to serve the school by substituting when teachers were not present, acting as teachers' aides, and grading papers. They participated in National Education Week by treating the teachers and athletes to cookies and punch. They presented a Parent's Day Program which in the past has been a traditional activity of this club and made a Homecoming Float which won 3rd place. The theme was "Let's Send the Deacons Back to School."

Annual Staff Creates Images

This year has been an experience that will never be forgotten for a group of odds and ends who call themselves juniors and seniors. Being an annual staff member wasn't always fun and games, but we never expected it to be an easy job. Many times we were forced to come face to face with ourselves, and didn't always like what we saw. Still, we learned to work, achieve, and perform in unbelievable harmony.

So often when the demands became more persistent, our tempers flared leaving hurt feelings and tears. But then, that's all a part of living . . . a part of growing up. At the end of the journey the 18 members of the annual staff worked closely with one another as sisters and brothers would. As with a family, we've learned to share our thoughts, our emotions, and most importantly, our love.

In the process of creating Silhouettes we have found seasons of ourselves. We give this book to you in hopes that it will provide memories, reflections, and dreams of an unforgettable year.

Silhouettes is you, my friend.

the Challenge

From the atom to the sun... the universe pulsates with energy in many forms.

The challenge is to find ways... new ways... to utilize the earth's vast storehouse of fuels in providing the energy needed for this nation to continue to be great.

The means—innovative technologies, exotic engineering, dynamic architecture—exciting advances that must come if man is to tap Nature's lode for the energies he needs.

From the smallest part of the universe to the largest... that's the scope of the energy field today. The opportunity for personal achievement is infinite; the challenge, one that must be met.

Looks Like We've Made It

It's over. Finished. There's nothing else we can do. Our year as co-editors of the 1980 Silhouettes has come to an end. At one time being editors of the yearbook felt like an eternity, but now that the end is near, we wish this year could go on forever. Being editors of this yearbook wasn't easy, but we didn't expect the creation of a dream to happen overnight. There were days when our tears and fears of failure were overwhelming, but somehow we forced ourselves to keep a bright smile that overruled even our worst problems. We worked as one, yet tried to express our individuality throughout the pages of Silhouettes.

We've found that on many occasions being editors of a book as important as this brought about many challenges, which at times were almost insoluble. Yet, we were able to establish and maintain a lasting friendship and deep respect between us. For some, this would have been impossible, but to us becoming "sisters" was one of the greatest accomplishments of this yearbook.

Without the time and concern of so many interested people, this yearbook would have never made it to the press. At this time we would like to show our greatest appreciation to the following:

Mr. David Yates, for bearing with us through the year and all the little tid-bits of advice that showed he cared. Mr. Ronnie Bartley, for signing so many passes for us to get much needed goodies and for his winning smile which made favors easy to ask for. Mr. Danny Boring that tall, dark, and handsome annual representative, for helping us create this yearbook and being himself — a terrific kind of guy (with a girlfriend!!!)

We also owe many thanks to: "Mr. Bill" Wright for our "Class of 80" pictures. Mr. and Mrs. Don Askins for their beautiful scenic pictures used throughout the pages of our annual. Mr. Andy Turner for attending all those games and providing great action shots for our yearbook. Lisa's dad, Mr. Paul Owens, for developing some of her pictures for us. Tri-State pictures for "rushing" everything, and Charlie, Mr. Photographer, for putting up with lots of loud mouths and sloooow cheerleaders.

To Miss Collins and the '80 Silhouettes staff, thank-you, for being the wonderful hardwork-

ing, ambitious, crazy people you are, and for being a part of our life. We can only hope that during the future years, that our dream can be you key to unlock memories of days gone by.
